Advertising Specifications - ADS OR AD MATERIALS DUE DECEMBER 4, 2026

SUBMITTED ADS*

Please provide digital files on USB Flash Drive, by uploading to a file transfer site, such as Dropbox.com, or if file size is under 10MB, the PDF can be emailed to your sales representative. *Any provided ad requiring changes may be subject to production charges.*

DESIGN SERVICES

Our creative design team is professional, experienced, and talented, and having them create your full-page ad for you is free as part of the package. That said, if you have an ad designer you prefer to use, we do take camera-ready ads. Ads or ad materials (if we are creating your ad) are due December 9, and early submissions are welcome any time. Please submit all information in ***just one*** email, and be sure to include the information needed for your listings (please include information for both your ad and your listings in just one email).

Please Submit:

- Description of your vision for the ad or a photo you have taken of a sketch (optional)
- Business name
- Photos/imagery to be used in your ad (must be at least 300 dpi at the size it will be published)
- Any text/content you want included
- All contact information you want included
- Colors you like/fonts you prefer (optional)

The cost of your ad includes ad design with three proofs. Advertiser is responsible for providing text, images and artwork.
